NextGen of Leaders

2 Timothy 2:2

- **What if every CBMC Indiana member was expected and encouraged to build the NextGen of leaders? Leaders with a God Provided Significance (GPS) directing them outwardly, so they will continue reproducing the next generation of leaders.**

OPERATION TIMOTHY

Life-on-Life Discipleship

Operation Timothy (OT) is CBMBC's premiere discipleship tool, designed to help a mature believer (a "Paul") guide another (a "Timothy") into growth in his relationship with Christ. OT currently exists in both digital and print formats and is available in multiple languages.

Leadership
Prayer Team

Leadership starts with Prayer

The purpose of Leadership Prayer team (LPT) is to connect men to God, to one another, and to the Great Commission. The LPT exists to encourage and cover in prayer the men of CBMC who are leading in the marketplace as ambassadors for Christ and spur them to fully integrate their work and faith.

LEADERSHIP COACH TRAINING

Coach and Encourage with the Holy Spirit

Leadership Coach Training (LCT) was founded on key biblical leadership principles. LCT utilizes an integrated, values-based paradigm for developing leaders through coaching with the Holy Spirit rather than a worldly view. It encourages leaders to put others first by focusing on leadership growth over problem resolution.
